ASPNG INCREASES IN THE SURVEYORS SCALE OF FEE 2010

Following the Association Council meeting held on the 13th March, 2010, the council considered the costs of living adjustments over the years and made the following increases for the current hourly and linear rates. As we all are aware the existing hourly rate was last adjusted in 2002 and the linear rate in 1990.

1. For the *linear rate*, Council approved the following:
 - a. For Coastal Islands and mainland – K6,000 – K15,000 per km
 - b. For Highlands Region – K15,000 – K20,000 per km
2. Council approved the following *hourly rate* adjustment scale factor of 0.52 to be applied to 2002 Recommended Scale of Fees after considering CPI adjustments from 2002 to end of 2009.
This rate is applicable to all Time Basic Charges, Accommodation and Travelling Time per Part 4, 4.1 to 4.7 of the ASPNG Scale of Fees.

The rate to apply or use for all survey work or projects the Surveyor or Survey Firms are to use when charging for Short or Long Term contract work will take into account also the type of vegetation and undulating conditions or vegetation the surveyor will work under and also the qualification and experience of the surveyor.

These rates are to apply immediately

Yours faithfully,
ASSOCIATION OF SURVEYORS OF PAPUA NEW GUINEA Inc.

Dominic AFUYAVE
Hon Secretary/Treasurer
