58th ANNUAL SURVEY CONGRESS

01st – 05th June 2026, Wewak, ESP

CALL FOR PAPERS

SUBMISSIONS OPEN

The Association of Surveyors of Papua New Guinea (ASPNG) wishes to invite its members, allied professionals, and interested individuals to present papers at its 58th Annual Survey Congress, which will be held at the Village Inn Hotel in Wewak from 01st – 05th June, 2026.

The theme for this year's congress is **“SURVEYORS ROLE IN RECLAIMING THE LAND: REDEFINING AND ADDRESSING THE CURRENT ADMINISTRATIVE LAWS AND LEGACY ISSUES IN A CHANGING PNG”**. In a land where ownership defines identity and heritage, the role of the surveyor extends far beyond measurement - it embodies truth, justice, and nationhood. As Papua New Guinea faces rapid social, economic, and environmental change, the 58th ASPNG Annual Survey Congress calls upon surveyors to reflect on their evolving mandate to safeguard the nation's spatial integrity through their application of technology through their surveys.

The Congress Manager hereby requests authors to present an abstract briefly describing the aspect of the paper. The abstract should have a maximum of 200 words and be written in English. Participants who wish to contribute oral and poster presentations and trade exhibitions are most welcome.

Please include, together with an abstract, the following information:

- Presenter's Name, Address, and Brief Biodata with recent ID-size Photo
- Title of the Paper
- Type of presentation paper, oral, poster, workshop, or trade exhibition

Please forward the abstract to the ASPNG Congress Manager by 15th April and the final paper by 1st May 2026.
